

## JOB DESCRIPTION

POSITION: Skilled Carpenter  
REPORTS TO: Site Superintendent

DEPARTMENT: Construction  
DATE PREPARED: October 2022

## BRIEF DESCRIPTION OF RESPONSIBILITIES

### **About Q!**

Greg Landry and Steve King founded Q Construction Management with a passion to achieve excellence and deliver successful projects. Their combined 35 plus years of experience in the construction industry provides the insight necessary to understand the core values and systems of each customer.

As our name suggests, Q is a construction management firm, we support our clients across Western Canada and more. Our head office and majority of work is in Calgary with operations in Edmonton and the Okanagan. Our area of expertise includes multi family and commercial new builds, tenant improvements and renovations.

Q thrives on relationships. Our relationships are built off integrity, transparency, and collaborative business practices. These qualities are vital to ensure every project receives the focus it deserves...and we have fun along the way!

### **ABOUT THE ROLE**

Our expectation is to secure the services of a journeyman carpenter or suitably accredited independent contractor to join our crew. You will provide expert construction support across multiple sites located across Calgary and the surrounding regions. An example of our projects includes commercial, retail and office tenant improvements and renovations. You will have support via our project supervisors and managers.

This is preferably a full time commitment to join our team although we will provide flexibility if you have other contracts or relationships.

A suitable compensation package will be discussed during the interview process.

**RESPONSIBILITIES:**

- Review drawing details
- Complete daily FLHA's
- Promote the company's safety policies and procedures
- Review shop drawings
- Coordinate with the Project Manager any RFIs or SIs that may be required
- Projects include small to medium commercial

**MINIMUM QUALIFICATIONS**

- Tenant improvement and/or renovations construction experience
- General computer knowledge
- Proficiency in reading drawings and understand details
- General carpentry expertise
- Finishing experience necessary
- Valid Class 5 Driver's License
- Self-motivated, reliable, flexible and proactive with an ability to work in a fast paced environment.
- Demonstrated a history of safe Carpentry related practices.
- Must be willing to complete site specific training requirements
